

## Nissan Forklift

Nissan Forklift Training Alberta - Nissan takes great pleasure in achieving total customer satisfaction, when their consumer is experiencing one of their various products including cars, trucks, and lift trucks. Nissan Motor Co. Ltd is the parent company to Nissan's Forklift division. They are committed to delivering high value and meticulous quality standards to their clients. Incorporating a prosperous heritage combined with resilient processing principals, Nissan lift trucks offer many of the best materials handling equipment the industry has to offer.

Nissan Forklifts has a short time ago added a European manufacturing warehouse in Sweden to sustain their worldwide forklift demands. Dedicated to delivering customer support, the company has four distinct manufacturing facilities that allow them to continually adapt to their clients continually evolving wishes by offering a range of innovative ideas and designs.

The Nissan Lift truck North and South American base is stationed in Marengo, Illinois. A loyal team of 350 personnel is committed to the cooperation, design and fabrication of their products. Operating under the ISO-9001 and ISO-14001 certifications, helps each sector of the Nissan Forklift Corporation to sustain environmental accountability by using systems that limit the global effect of their goods and processes. These high standards remind consumers that Nissan operates under the quality seal that their clients insist upon while being an environmentally responsive corporation.

Nissan is quite confident that any of their customer's queries and customer worries directed towards them can be fully addressed. Always accessible through their website or by calling 800.871.LIFT, reaching one of their community endorsed sellers or even traveling to their Midwestern facility, Nissan Forklift Corporation is sure you will be impressed with their hospitality and commitment.
