

Genie Forklift

Genie Forklift Training Alberta - Genie Industries prides itself with the concept of lifting clients and materials higher, extending beyond the products they produce. A global company that is completely tied to their customers and enjoys reflecting the spirit of relationship with all they achieve. Genie Industries strives to help clientele erect their business no matter how large or small the scale of operation may be.

In 1996, with the inauguration of the Genie Hoist, which is a pneumatic, transportable material lift spawned the foundation of Genie Industries. A succession of aerial work platforms and other material lift trucks followed to meet consumer demand. These modern goods secured global recognition and established modern product design.

Genie Industries is currently a subsidiary of Terex Corporation. Preserving foremost quality production and uncompromising service and support are among their highest priorities. With clients from Helsinki to Hong Kong and Denver to Dubai requesting the unique blue coloured lift trucks on the jobsite, the company is confidently grounded in their exceptional customer service and values. Acknowledging that their users are their greatest inspiration, the team at Genie Industries are individually committed to providing expertise and maintaining customer rapport.

The meticulous team is continually dedicated to identify the most green and cost-effective, environmentally responsible ways to develop the products the consumers would like. The company's "lean manufacturing" practices help diminish waste while delivering the highest quality merchandise possible in the shortest timeframe at the least expensive cost to the customer. The staff at Genie Industries is proud to serve the industry and this is reflected in every invention they design. Always welcoming client input allows them to design and cultivate progressive new products that are straightforward to service and use, deliver optimum value-for-cost and meet worldwide standards. Thriving on client feedback enables Genie Industries to repetitively evolve and meet the consumers' needs.

Genie's service experts are eagerly accessible to offer solutions to the questions you may have in order to keep you fully operational. Their expansive components network will swiftly ship components to ensure their customers' machinery are running effectively. Every product comes backed by a competitive and reliable warranty.

Genie Industries prides itself on customer success. They build and service their goods to boost performance and uptime on the job. Offering on-going instruction opportunities, to marketing support to adaptable financing options, Genie Industries gives their customers the tools to get the most out of their purchase.
